Zero blind spots.

Keep tabs on every corner with just one TY2. Its expansive 360-degree field-of-view ensures full coverage, so you don't miss a thing.

Smart tracking.

When the camera detects a moving object, it is smart enough to automatically track the motion while alerting you with an image in real time.

Communication, anytime.

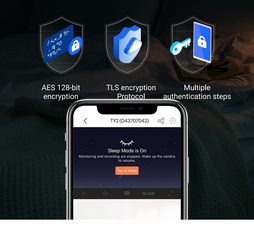
Talk to your loved ones and deter unwelcome strangers – all by using the TY2's two-way communication feature. Using the EZVIZ App on your mobile device, you can easily and conveniently enjoy communication wherever you might be.

See further in the dark.

Enjoy round-the-clock protection with the TY2 camera. Using powerful Infrared LED lights, it lets you see up to 10 meters (33 feet) in dim light.

We protect your data and privacy.

Protecting your data and privacy is our highest priority. Data transmission between the camera and the EZVIZ Cloud is encrypted from end to end. Only you have the keys to decrypt your data. To get an extra layer of privacy protection, you can always enable the camera's sleep mode on the EZVIZ App.



Multiple storage options.

With multiple storage options, you can choose where to save your recordings. The TY2 camera can even save to all three locations at the same time for added backup in case the camera is damaged, or your network crashes.
